FEATURES

① Hazard Free Material with 360° Protection

1. Made from heavy duty shock-resistant EVA foam with double-thick padding corners, efficiently preventing accidental bumps, drops and scratches from damaging the tablet.
2. Durable hazard free, non-toxic, kids friendly, safe EVA foam material has no harm to health, perfect for all families with children.

3. Products passed CPC, ROHS and other testing and certification.

② Portable Handle for Convenient Carry

1. Ergonomic anti-slip large handle is designed for comfortable one handed grip, suitable for children's little hands.
2. Super lightweight case without adding any bulkiness, so your child can carry the iPad to play at school and home easily.

Anti-fingerprint
